Estate of John  
Pierce

1858

Brookline, February 17<sup>th</sup> 1858.

Mr Charles Stoddard,

Dear Cousin,

We all wish to express our heartfelt gratitude to you for the devotion you have shown to our dear departed Parents — the time you have spent and the pains you have taken in the administration of their affairs. We are unanimous in desiring that you would continue the care of this property — there is no one living whom we would prefer for Trustee; no one whom we could more fully and freely trust. But we cannot consent that your time and labor should in future be given, without pecuniary recompense. Thanking you again for your kindness to our dearest Mother, and for the sympathy you have expressed for us bereaved ones,

We remain truly yours,  
Lucy P. Hedge.
